

Minutes of Email Board Meeting June 17-2014

Meeting Initiated by Email on June 8, 2014 and Closed on June 17, 2014

Quorum: Entire Board

The following resolution is passed with more than 75% majority vote of 6 of the 7 Directors supporting the resolution and one not supporting the resolution.

RESOLUTION – Subodh Tiwari’s recommendation is accepted and Ujjain Yoga Life Society joins as a new member of CYAI. Based on their current levels they will be offering only AYI certifications.

DISCUSSIONS - The following significant thoughts were expressed by different Board members:

- One Board member wrote the following: “Since it is small and in the developing stage, it can be brought under the orbit of Santacruz Institute itself instead of adding it to our list of Yoga Institutions which are very big and long standing. I know a large number of such institutions in the country of that size and operations. I think we should wait until they grow big.”
- Hansaji noted: “I have my full confidence in the Ujjain Life Society and vote that the institution should be accepted and accredited with CYAI.”
